Community features

- 8) Please describe your community, what your broader economic development goals are, and which aspects of it you would like to showcase in an OZ video spotlight (*written answer, multi-line, 5,000 characters*)
- 9) Does your community have a motto or mission/vision statement? If so, please share it here.
- 10) Please describe the area of your community that was designated as an opportunity zone. What investment opportunities would you like to highlight within the designated area(s). (*written answer, multi-line, 5,000 characters*)
- 11) One goal of the OZ video spotlight is to feature members of the community that make it unique, diverse, business-friendly, etc. Please list at least five community champions who you think would be good to interview and feature in the video. Community champions could include, but are not limited to, business, municipal, and education leaders. The film production lead will conduct pre-interviews with the champions listed, then work with the applicant to narrow down a final list of interviewees to feature in the Spotlight (*written answer, multi-line, 2,500 characters*)
- 12) Are there any other physical assets in your community (unique landscapes, historic landmarks, vibrant main streets, etc.) that may be appropriate to highlight in this video? (*written answer, multi-line, 2,500 characters*)

Support and distribution

- 13) Please describe how you plan to promote and circulate the video once complete. (*written answer, multi-line, 2,500 characters*)
- 14) Please demonstrate broad community support for this project by sharing a list of individuals and organizations who will support this effort. (*written answer, multi-line, 2,500 characters*)
- 15) Please provide any letters of support demonstrating community buy-in. (*file upload, optional*)

Acknowledgement

- 16) I acknowledge that if chosen and if film or photography permits are necessary in my community, I will identify the municipal contact responsible for permit applications and connect the assigned filmmaker to them.
